

117TH CONGRESS
1ST SESSION

H. R. 1584

To impose a limitation on taxation and fees on transactions by certain securities industry participants, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

MARCH 3, 2021

Mr. McHENRY (for himself and Mr. HUIZENGA) introduced the following bill; which was referred to the Committee on the Judiciary

A BILL

To impose a limitation on taxation and fees on transactions by certain securities industry participants, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Protecting Retirement
5 Savers and Everyday Investors Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) The United States capital markets are so-
9 phisticated, complex, diverse, and highly inter-
10 connected interstate marketplaces that effect and

1 process millions of trades daily for the benefit of in-
2 dividual and institutional investors throughout the
3 United States, including the retirement accounts of
4 union members, pensioners, teachers, policemen,
5 firemen, first responders, and other working Ameri-
6 cans, as well as the endowments of colleges and uni-
7 versities and charitable organizations.

8 (2) The United States capital markets are the
9 deepest, most liquid markets in the world in large
10 measure because of the low transaction costs that in-
11 vestors pay to trade securities.

12 (3) Under the Federal securities laws, the Secu-
13 rities and Exchange Commission serves as the pri-
14 mary supervisor and regulator of the United States
15 capital markets (with the assistance of other Federal
16 regulators), while under State securities laws, State
17 regulators serve a secondary function of helping to
18 protect investors with respect to securities offered
19 and sold within their States.

20 (4) Also pursuant to the Federal securities
21 laws, Congress directs the Securities and Exchange
22 Commission to assess transaction fees upon the
23 United States capital markets that are designed to
24 recover the Commission's costs of supervising and
25 regulating the United States capital markets.

1 (5) Some States have proposed taxes and fees
2 that are based on securities transactions and proc-
3 essing activity related thereto from investors from
4 other States and would raise costs for all United
5 States investors, even investors outside of the States
6 levying the taxes and fees.

8 **ACTIONS BY CERTAIN SECURITIES INDUSTRY**
9 **PARTICIPANTS.**
